

# Lamb with rice

## For working dogs

### Super Premium Range

The **Super Premium** range benefits from a variety of high quality protein sources.

The range provides a selection of hypoallergenic recipes formulated without common food allergens for dogs - beef, pork, wheat, wheat gluten, dairy and soya.

### Why Lamb?

**Lamb** is a nutrient-dense, **highly** palatable and digestible protein source. It is also a **good** source of vitamin B12 and iron which are required to help keep nerve and blood cells **healthy**.

### Why Rice?

**Rice** is a carbohydrate source ideal for dogs with sensitive digestion.

### Recipe Claims

#### 28% Total Lamb

A responsibly sourced and highly digestible protein source.

#### Natural Energy

Contains a combination of carbohydrate sources to provide quick release and sustained energy.

#### Digestive Health

Contains beet pulp - a good source of soluble and insoluble dietary fibre which are important for maintaining normal intestinal transit time and motility.

#### Skin & Coat

Contains Omega 3 & 6 essential fatty acids to help maintain a healthy skin & shiny coat.

#### Immune System

Contains vitamins and minerals to help maintain a healthy immune system.

#### No Added Artificial Colours & Preservatives

Naturally preserved using rosemary extract.
