Chicken with rice

Adult Dog - Small Breed

Super Premium Range

The **Super Premium** range benefits from a variety of high quality protein sources.

The range provides a selection of hypoallergenic recipes formulated without common food allergens for dogs - beef, pork, wheat, wheat gluten, dairy and soya.

Why Chicken?

Chicken is a **lean** protein source rich in essential amino acids. It is also a good source of vitamins & minerals including B vitamins and iron which may **help** contribute to overall health and well-being.

Why Rice?

Rice is a carbohydrate source ideal for dogs with sensitive digestion.

Recipe Claims

29% Total Chicken
