Lamb with rice

Adult Dog

Naturals Range

The **Naturals** range offers a selection of recipes that benefit from the finest freshly prepared protein sources.

The range provides a variety of recipes formulated for pets with sensitive digestion.

Why Lamb?

Lamb is a nutrient-dense, digestible protein source. It is also a good source of vitamin B12 and iron which are required to help keep nerve and blood cells healthy.

Why Rice?

Rice is an easily digestible carbohydrate source ideal for dogs with sensitive digestion.

Adult Lamb with rice Naturals
