## Chicken with fish and rice

### Kitten

#### Super Premium Range

The Super Premium range benefits from a variety of high quality protein sources.

The range provides a selection of recipes formulated to meet the specific needs of kittens and cats.

#### Why Chicken?

**Chicken** is a **lean** protein source rich in essential amino acids. It is also a good source of vitamins & minerals including B vitamins and iron which may **help** contribute to overall health and well-being.

#### Why Fish?

**White Fish** are a source of protein and vitamins B6, B12 and niacin. They are also a source of omega 3 fatty acids which may **help** to support skin and coat health and healthy joints.

#### Why do Kittens need a specific recipe?

Kittens grow quickly, within 6 months they will have reached approximately 75% of their adult body weight and so getting their diet right is vital to help them grow from a kitten into a healthy cat.

Our complete kitten recipe is formulated to provide young cats with the balanced nutrition and increased energy content that they require during growth. This includes a higher level of protein, rich in essential amino acids to support healthy muscle growth and added vitamin E to help support the immune system. The smaller kibble size of a kitten recipe also helps to make meal times easily manageable.

#### Recipe Claims

##### 40% Total Chicken & Fish

Rich in essential amino acids, vitamins & minerals to help support healthy muscle growth.

##### Multiple protein sources

Exposure to multiple protein sources as kittens may decrease potential intolerances in adult cats.

##### Healthy Digestion

Pre-biotics MOS and FOS which help to promote the growth of healthy gut bacteria and support digestion in kittens.

##### Healthy Heart & Vision

With added taurine and vitamin A to nourish the heart and help maintain vision.

##### Immune System Support

With added vitamin E to help support the immune function.

##### Healthy Skin & Coat

Contains omega 3 essential fatty acids to promote healthy skin and a soft & shiny coat.
