

# Beef

with carrot, green beans, cauliflower, tomato & courgette

## Adult Dog

### Grain-Free Extra

The **Superfood 65** range includes a selection of recipes with the finest freshly prepared raw meat gently cooked to protect the valuable protein, plus a blend of nutritiously beneficial Superfoods.

### High meat content

**65%**  
Total

Using our unique **Freshtrusion™** process we have created a recipe that boasts a minimum 35% freshly prepared beef.

### Why Grain-Free Extra?

#### Carrot

Source of **Vitamin A** to help maintain healthy vision.

#### Green Beans

Source of **Iron** to help support normal functions of the circulatory system.

#### Cauliflower

Source of **Vitamin B9** which is important for amino acid and nucleotide metabolism.

#### Tomato

Source of **dietary fibre** to help normalise the gastrointestinal transit time.

#### Courgette

Source of **Vitamin B3** an important cofactor in carbohydrate, protein and fat metabolism.

### Recipe Claims

#### 65% Total Beef

Rich in essential amino acids, vitamins & minerals to support every day health and well-being.

#### Minimum 35% Freshly Prepared Beef

Responsibly sourced and highly digestible protein source.

#### Superfood Blend

A blend of 5 carefully selected superfoods each with their own unique benefits.

#### Naturally Occurring Collagen

Found in freshly prepared ingredients, Collagen helps to maintain healthy joints and skin

#### Digestive Health

Pre-biotics MOS and FOS which are beneficial for the growth of healthy gut bacteria and support digestion.

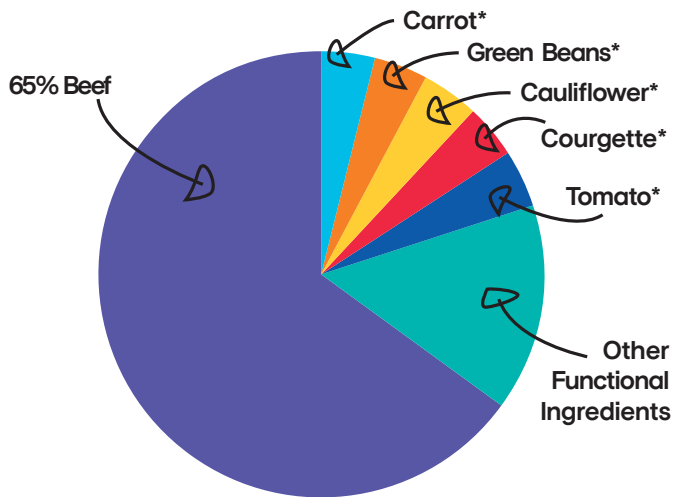

#### No Added Artificial Colours & Preservatives

Naturally preserved using rosemary extract.
