

Salmon

with dill, spinach, fennel, asparagus & tomato

Adult Dog

Grain-Free Extra

The **Superfood 65** range includes a selection of recipes with the finest freshly prepared raw meat gently cooked to protect the valuable protein, plus a blend of nutritiously beneficial Superfoods.

High Animal Content

65%
Total

Using our unique **Freshtrusion™** process we have created a recipe that boasts a minimum 35% freshly prepared salmon.

Why Grain-Free Extra?

Dill

Source of **Vitamin C** which has an essential role in collagen synthesis important to help maintain healthy bones.

Spinach

Source of **Iron** to help support normal functions of the circulatory system.

Fennel

A good source of **Calcium** which helps maintain healthy bones and teeth.

Asparagus

Source of **Folate** to help support cellular growth and maturation.

Tomato

Source of **Potassium** to help with nerve and muscle functions.

Recipe Claims

65% Total Salmon

Rich in essential amino acids, vitamins & minerals to support every day health and well-being.

Minimum 35% Freshly Prepared Salmon

Responsibly sourced and highly digestible protein source.

Superfood Blend

A blend of 5 carefully selected superfoods each with their own unique benefits.

Naturally Occurring Collagen

Found in freshly prepared ingredients, Collagen helps to maintain healthy joints and skin

Digestive Health

Pre-biotics MOS and FOS which are beneficial for the growth of healthy gut bacteria and support digestion.

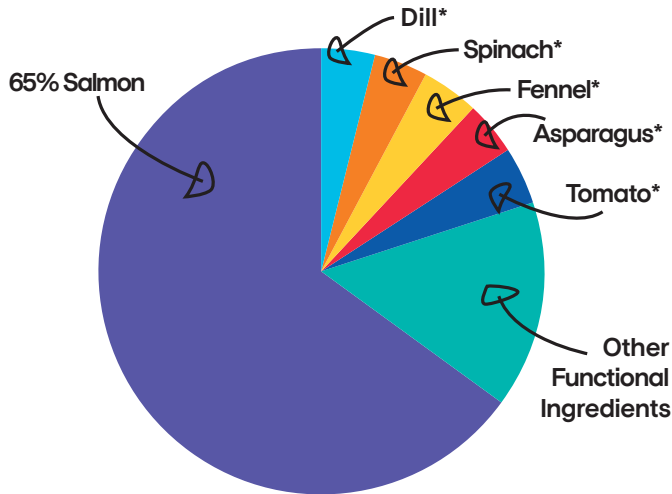

No Added Artificial Colours & Preservatives

Naturally preserved using rosemary extract.
